

MOODY'S

LENDING SUITE

Loan Operations

Close more deals faster by automating and digitizing your manual loan operation process with Moody's Lending Suite.

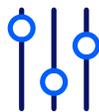

The Lending Suite Loan Operations solution helps you improve closing rates with complete data, automated closing document creation, easy document exchange and a seamless end-to-end process. Finish strong and close out approved loans faster so you can move on to the next one.

How we enable you?

PRIORITIZE EFFICIENCY IN YOUR LOAN OPERATION PROCESSES

Save time by auto-generating closing loan documentation populated with information from multiple sources.

COLLABORATE EFFECTIVELY WITH THE BACK OFFICE

Provide a seamless flow of complete and accurate data and a direct line of communication between the Front and Back offices.

PROVIDE A SEAMLESS CLIENT EXPERIENCE

Allow clients to provide their signature with the click of a button. Then, board their information to the core banking system and fund via API.

Designed with the modern lender in mind

The Lending Suite serves targeted capabilities for C&I, CRE, SMB and Ag portfolios by leveraging the power of advanced analytics, automation, and machine learning to deliver a seamless experience.

Whether you're a small business lender or a large financial institution, our suite offers a scalable solution that meets your unique needs.
