

# MOODY'S

## LENDING SUITE

# Confidence across the credit lifecycle

**Make confident credit decisions and effectively manage your loan portfolio with an end-to-end loan origination and monitoring solution.**

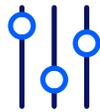

Your organization has customers, strategic initiatives, and growth goals that all need your attention. With Moody's Lending Suite, focus your efforts on building relationships and maximizing new opportunities without sacrificing credit risk management.

## What we do?

### TURN RISK INTO OPPORTUNITY

Use integrated risk metrics for scoring credit applications, with data visualization and expert support for identifying risks and opportunities.

### STREAMLINE DECISIONS

Enhance decision time with seamless approval workflows, GenAI credit memo creation, and system integration for better data integrity and transparency.

### FOCUS ON STRATEGY

Minimize manual work and focus on growth initiatives with AI-enabled automation for credit lifecycle management.

### IMPROVE CUSTOMER EXPERIENCE

Provide borrowers with an intuitive digital experience from intake to close with clear communication and simple document exchange.

**Streamline  
your  
operations,  
identify  
risks and  
opportunities,  
and  
communicate  
across teams.**

## How we help you?

### **BORROWER ENGAGEMENT**

Simplify commercial loan applications across all asset classes with a convenient digital process.

### **SPREADING & SCORING**

Automate workflows and confidently assess borrower risk with in-house or Moody's award-winning models.

### **UNDERWRITING & DECISIONING**

Make quicker and more informed decisions with an integrated system for data, market insights, and forecast scenarios.

### **LOAN OPERATIONS**

Finish strong and close out approved loans faster with complete data, automated closing document creation, and easy document exchange

### **MONITORING**

Quickly ingest and visualize data for a meaningful view of your commercial portfolio and leverage AI tools to prioritize your focus on developing risk and opportunities for growth.

## Designed with the modern lender in mind

The Lending Suite serves targeted capabilities for C&I, CRE, SMB and Ag portfolios by leveraging the power of advanced analytics, automation, and machine learning to deliver a seamless experience.

Whether you're a small business lender or a large financial institution, our suite offers a scalable solution that meets your unique needs.
