LENDING SUITE MONITORING
MODULE OFFERING :

Automated Covenants

Eliminate the paper chase and strengthen client relationships with Moody's Automated Covenants. Our solution transforms the end-to-end covenant management process, from request to testing, making document collection, validation, and compliance monitoring seamless for all.

Covenant management, a critical component in risk mitigation, is often slowed by endless emails and constant document updates. With our automation, you can break free from this monotonous cycle and enhance communication with clients.

What we do?

EXPERIENCE

Move beyond the tedious back-and-forth of email attachments. Boost your clients' experience with an intuitive interface that encourages active engagement and streamlines communication.

TIME SAVINGS

Automated testing schedules and alerts for significant updates enable quicker and more efficient covenant compliance and document submissions freeing up team capacity.

RISK MANAGEMENT

Leverage AI-assisted document validation and exception management for effective, traceable, and accurate testing of covenant compliance that can be monitored across the portfolio.

Improve efficiency, enhance the client experience, and effectively manage risk with Moody's Automated Covenants.
