

Streamline. Innovate. Grow.

End-to-End Loan Origination

Outdated systems, manual processes, and fragmented data and documentation are all too familiar challenges for commercial lenders.

These hurdles lead to poor customer experiences, slow decision-making, compliance risks, and hindered growth. It's time for a change.

Moody's Lending Suite is a comprehensive solution for modernizing the commercial loan lifecycle. Designed by experienced banking experts, our suite helps you make confident credit decisions with greater ease and operational efficiency.

Why Moody's Lending Suite?

BETTER CLIENT EXPERIENCE

Exceed your customers' expectations with a modern, convenient, and transparent process from credit request through documentation and information gathering to decisioning and closing.

COMPETE FOR THE BEST BUSINESS

Stop losing customers to process delays. With intuitive applications and the ability to prioritize and process credit requests based on quality and complexity, you can make decisions faster.

MANAGE RISK

Robust financial and credit risk analysis capabilities combined with Moody's unparalleled content give you a 360-degree understanding of your borrowers' risk for high-quality credit decisions.

FOCUS ON GROWTH

Move beyond spreadsheets and manual work. Automation and AI-powered workflows embedded throughout the solution help your business quickly scale and allow your workforce to focus on clients, meaningful analysis, and growth.

Key Features:

DIGITAL BORROWER AND LENDER APPLICATION:

Simplify commercial loan applications across asset classes with a convenient digital process. Dynamic applications, guided workflows, and secure document collection make it easy for both lender and borrower from the very first interaction.

AUTOMATED SPREADING:

Achieve greater speed, consistency, and effectiveness in your financial spreading with automated spreading tools that combine the precision of machine learning with your expert analysis.

POWERFUL SCORING CAPABILITIES:

Simplify complex credit risk assessment with access to data, forecasts, scorecards, and stress testing capabilities within a robust financial analysis tool.

GENAI-POWERED CREDIT MEMO CREATION:

Make confident decisions by combining the power of GenAI with Moody's insights to create comprehensive credit memos for your review with the click of a button.

By leveraging cutting-edge technology and Moody's deep industry insights, you're not just adapting to the future; you're defining it. Invest in operational excellence, client satisfaction, and strategic growth with Moody's Lending Suite Origination solution.

Designed with the modern lender in mind

The Lending Suite serves targeted experiences for C&I, CRE, SMB, and Ag portfolios by leveraging the power of advanced analytics, automation, and machine learning to deliver a seamless experience.

Whether you're a small business lender or a large financial institution, our suite offers a scalable solution that meets your unique needs.
